America is a great nation although she may have flaws, there is no other place I rather be or call home. We at Nvictory4all.com call upon you to help others in need like those in Pakistan ravage by constant rain which created floods and displaced 20 million people with nowhere to call home.

There is no place in the world where you can come from a poor and humble beginning and amass a fortune of material wealth and riches.

So many Americans have sacrifice so other in the world may have the freedoms we enjoy today.

Other Countries may not have the same Constitutional First Amendment right to freedom of speech we have, but the framework of their Constitution emulate ours to the point they demand the same freedom and rights we possess in our Constitution.

Every man, woman, and child has right to life, liberty, and pursuit of Happiness and when one of those rights are taken away e.g., life, then it is indirect violation of their inalienable God given rights.

We in America and the world must start thinking of life as precious commodity, that is irreplaceable especially a Black Life.

In the years leading up to 2016 there were a turn of event by America policemen which move people all around the world to march in the streets to protest the killing of innocent Black men and women and people of color, some killings were for no apparent reason like George Floyd. Colin Kaepernick a San Francisco 49's quarterback who refuse to stand while the American National Anthem was being played, to protest these injustice killings, by deciding instead to bend down on one knee, while it was being played. He brought to forefront the social conscious and injustice of police brutality, against black American and people of color to the center stage of America conscious.

To commemorate Colin Kaepernick kneeling on that date Sept. 1, 2016, we at Nvictory4all.com, have created a several products, for example, T-shirts, coffee mug and hoodies, sweatshirts, and many other products with special slogans on Printful.com website and Limited-Edition T-shirt of 776 on Nvictory4all.com. This Limited Edition will be accompanied with a Certificate of Authenticity.
